WE SERVE NORTHERN CALIFORNIA BUSINESSES.

This procurement technical assistance center is funded in part through a cooperative agreement with the Defense Logistics Agency

Our Free Services

ONE-ON-ONE COUNSELING

Our specialists can help you determine if your company is ready for government opportunities and how to best position yourself to succeed.

WORKSHOPS & WEBINARS

We host a multitude of events across our service area to teach you what you need to know and connect you with local agencies who need your product or service.

BID MATCHING

Our specialists work with you to create a profile that will provide you with specific bidding opportunities that are emailed right to your inbox.

MORE!

We will help you register for SAM, craft a capability statement, and complete the many other tasks necessary to successfully compete for government contracts.

PEOPLE ARE TALKING ABOUT US

“

I learned so much on being certified in many different arena's in the CA system. My business is just this next year going to be ready for the bid system, looking forward to it!

– Solar Carports Direct”

“

Very knowledgeable, patient and very much interested in our success. Surely we will win projects very soon.

– Step Ahead Solutions, ”

“

Without the PTAC, I would feel completely lost trying to navigate the system. PTAC is a priceless tool that is easy to use and I could not have moved forward without it.

– IAQUA Construction and Logging”

“

Excellent and experienced help with my SAM registration.

– Spectrum Property Services”

“

The PTAC has been an excellent resource for me. It has given me the opportunity to grow my business. Without the PTAC's help, I wouldn't have been able to win any contracts. Norcal PTAC made it simple even though [government contracting] is a complicated process.

– Sky Landscape”
